

Workshop on REGIONAL DEVELOPMENT AND HYDROGEN PROJECTS – organised by Roads2HyCom in co-operation with HyRaMP

04 March – 05 March 2009, Royal Academy of Science, Paleis der Academiën, Hertogsstraat 1, B-1000 Brussel

DAY 1 - Wednesday 4 March 2009 - kindly chaired by Prof. Raimund Bleischwitz

as of 2009-01-26

No.	Time	Agenda Item	Content	Speaker
A1	09:00 – 09:30	<i>Coffee and Registration</i>		
A2	09:30 - 09:40	Welcome	Introduction to the project Roads2HyCom and the HyRaMP partnership. Aims and objectives of the coming two days.	Robert Steinberger-Wilckens <i>PLANET Engineering and Consulting</i>
A3	09:40 – 09:50	Status HyRaMP	A brief update on the current status of the partnership, its workplan and the ongoing co-operation with the JTI.	Andreas Ziolek <i>chairman HyRaMP</i>
A4	09:50 – 10:00	Status JTI	A brief update on the current status of the Joint Undertaking, its programme content (MAIP and AAP) and first calls.	Robert Steinberger-Wilckens <i>PLANET Engineering and Consulting</i>
A5	10:00 – 11:00	Round-Table National Programmes	Organised by the European Hydrogen Association, this round-table brings together representatives of national hydrogen and fuel cell programmes as well as Commission members to discuss the importance of national supporting schemes for the realisation of projects.	Marieke Reijalt <i>European Hydrogen Association (EHA)</i>
A6	11:00 – 13:00	Group Work coffee served throughout	Intensive discussions facilitated by Roads2HyCom experts. Preparation requested.	
A6a			Cross-Cutting Activities and Early Markets	Marcel Weeda (<i>Energy Research Centre of the Netherlands - ECN</i>)
A6b			Transportation and Refuelling Infrastructure	Ben Madden (<i>Element Energy</i>) Bruno Gnörich (Inst. for Automobile Engineering, RWTH Aachen)
A6c			Hydrogen Production and Distribution	Jean-François Gruson (<i>IFP</i>) Olivier Guerrini (<i>GDF SUEZ</i>)
A6d			Stationary Power and CHP	Robert Steinberger-Wilckens (<i>PLANET Engineering and Consulting</i>) Phil Doran (<i>Coretec Ventures</i>)
A7	13:00 – 14:30	<i>Lunch Break</i>		
A8	14:30 – 16:00	Group Work (<i>continued</i>)		
A8a			Transportation and Refuelling Infrastructure	Ben Madden (<i>Element Energy</i>) Bruno Gnörich (Inst. for Automobile Engineering, RWTH Aachen)
A8b			Hydrogen Production and Distribution	Jean-François Gruson (<i>IFP</i>) Olivier Guerrini (<i>GDF SUEZ</i>)
A8c			Stationary Power and CHP	Robert Steinberger-Wilckens (<i>PLANET Engineering and Consulting</i>) Phil Doran (<i>Coretec Ventures</i>)
A9	16:00 – 16:30	<i>Coffee Break</i>		
A10	16:30 – 17:30	Plenary Discussion	Results of the group work on the first day and further discussion.	Raimund Bleischwitz <i>College of Europe</i>
	18:00	<i>Dinner (not included)</i>	Tables at a local restaurant have been reserved for workshop attendees. However, please note, that participants will be required to pay for their own expenses.

04 March – 05 March 2009, Royal Academy of Science, Paleis der Academiën, Hertogsstraat 1, B-1000 Brussel

DAY 2 - Thursday 5 March 2009 - kindly chaired by Prof. Raimund Bleischwitz

as of 2009-01-26

No.	Time	Agenda Item	Content	Speaker
B1	08:30 – 09:00	<i>Coffee and Registration</i>		
B2	09:00 – 09:15	Summary Day 1	Wrap up of the results from the previous day.	Raimund Bleischwitz <i>College of Europe</i>
B3	09:15 – 09:30	Crosslinks to other EU-Schemes	A brief overview of other EU-programmes that are applicable to hydrogen and fuel cell applications.	Bill Borthwick (tbc) <i>European Commission (DG TREN)</i>
B4	09:30 – 11:30	Group Work	Intensive discussions facilitated by Roads2HyCom experts. Preparation requested.	
B4a			Planning from a regional perspective.	Michaela Mönter (<i>NTDA Energía</i>) Per Dannemand Andersen (<i>Risø DTU</i>)
B4b			Planning from a city perspective.	Robert Steinberger-Wilckens (<i>PLANET Engineering and Consulting</i>) Ben Madden (<i>Element Energy</i>)
B4c			Planning for airports, fleets, harbours, and islands.	Elli Varkarakí (<i>Centre for Renewable Energy Sources - CRES</i>) Franz Grafwallner (<i>ET Technologie</i>)
B5	11:30 – 12:00	<i>Coffee Break</i>		
B6	12:00 – 13:00	Plenary Discussion	Final presentation of the results and discussion.	Raimund Bleischwitz <i>College of Europe</i>
B7	13:00 – 14:00	<i>Lunch Break</i>
