Welcome to a Nordic Political Seminar

INTEGRATING CLEAN ENERGY CARRIERS IN LOCAL ENERGY AND TRANSPORT SYSTEMS

Updated program

Taking the Next Steps – From technology push to market pull

16:00 - 18.30 Taking the Next Step – a Nordic Political Seminar

16.00 Welcome, Nils Aage Jegstad, Mayor of Akershus County

16.10 The City of Oslo taking the Next Step, Ola Elvestuen, Chair of the Committee on Urban Development, The city of Oslo

16.20 European regions integrating clean energy carriers, Andreas Ziolek president HyRaMP

16.40 Challenges implementing hydrogen in the transport sector: The role of Transnova, Konrad Pütz, Transnova

16.55 Nordic Highlights, Aksel Mortensgaard, Director, Danish Partnership for Hydrogen and Fuel Cells

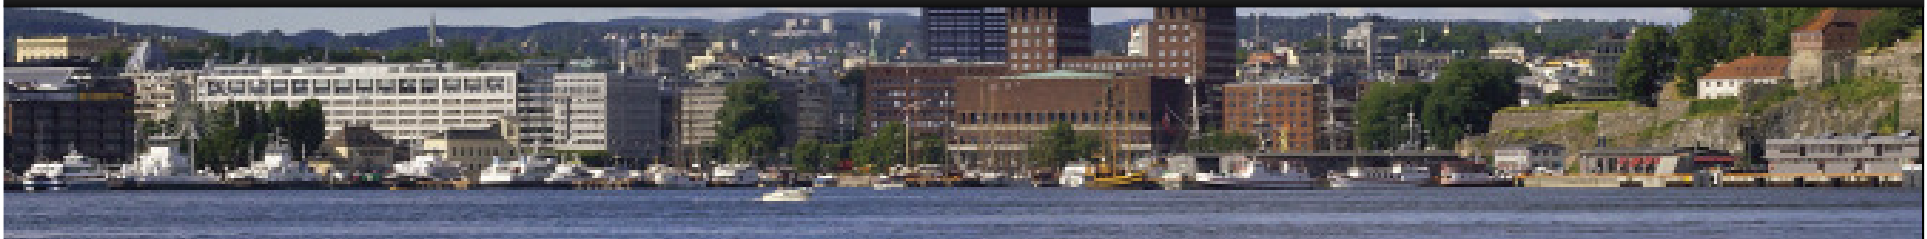

17:15 EU funding for hydrogen and fuel cell development in the coming years, Bert de Colvenaer, FCH JU Program office (videolink)

17:35 Roundtable discussion: Taking the Next Steps –from technical push to market pull.

18:30 Official launch of the Next Move project

Scandinavian regions as early adapters of zero emission vehicles – an EU-project breaking new ground to accelerate an early market. Jessica Vacklid, Project Manager Next Move, Hydrogen Sweden and Kjetil Storvik, Project Manager, Kungskapsbyn Lilleström

19.00 Dinner

Roundtable discussions:

Taking the Next Steps – From technology push to market pull

1. How can regions and cities **accelerate the process** of early commercialization in practice?
2. What can be **learnt** from the front running regions and cities in Europe?
3. In which areas should regions and cities **collaborate** moving forward?

Roundtable discussions: Taking the Next Steps – From technology push to market pull

- Introduction (5 min)
- Divide in discussion teams (5 min)
- Discussion Question 1 (5 min)
- Discussion Question 2 (5 min)
- Discussion Question 3 (5 min)
- Presentation of findings (4 x 2,5 min)
- Plenary discussion (20 min)

Table #1 – Team Thor Gystad

Truls Norby	Professor	University of Oslo	Norway
Dyre Rolstad	Project manager	Raufoss Fuel Systems AS	Norway
Andreas Ziolek	Dr	Fuel Cell and Hydrogen Network NRW	Germany
Birte Busch Thomsen	Miljøinspektør	Københavns Kommune, Center for Miljø	Denmark
David Stenergard	Political secretary	Region of Skåne	Sweden
Jaco Reijerkerk		Linde	
Jessica Vacklid	Project manager	Hydrogen Sweden	Sweden
Juan-Ramon Ochoa	Mr.	Gobierno de Aragon	Spain
Stein Trygve Briskeby	President	Norsk Hydrogen Forum	Norway
Tore Leite	Special advisor	City of Oslo	Norway

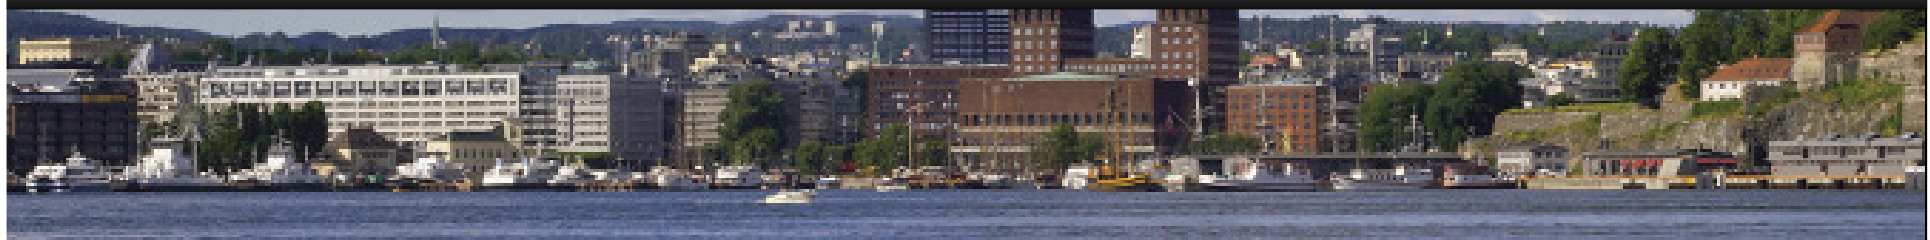

Table #2 – Team Kjell Knudsen

John Dodds	Dr	Midi-Pyrenees- HyRaMP	France
Thomas Kattenstein	Dr	Fuel Cell and Hydrogen Network NRW	Germany
Nils Aage Jegstad	Mayor of Akershus County		Norway
Silvana Di Matteo	Head of Energy Resources Unit	Department of Environment, Energy and Grid	Italy
Ove K. Kjølstad	Head of Project	Ruter As	Norway
John Akkerhuis	Advisor	City of Rotterdam	The Netherlands
Bastiaan de Boer	MSc.	Ballast Nedam IPM	Netherlands
Javier Navarro	Mr.	Gobierno de Aragon	SPAIN
Marieke Reijalt	Head of secretariat	HyRaMP	Belgium
Aivars Starikovs		Latvian Hydrogen Association	Latvia
Gijs Vriesman		Shell	The Netherlands
Øystein Ulleberg	Principal Scientist	Institute for Energy Technology	Norway

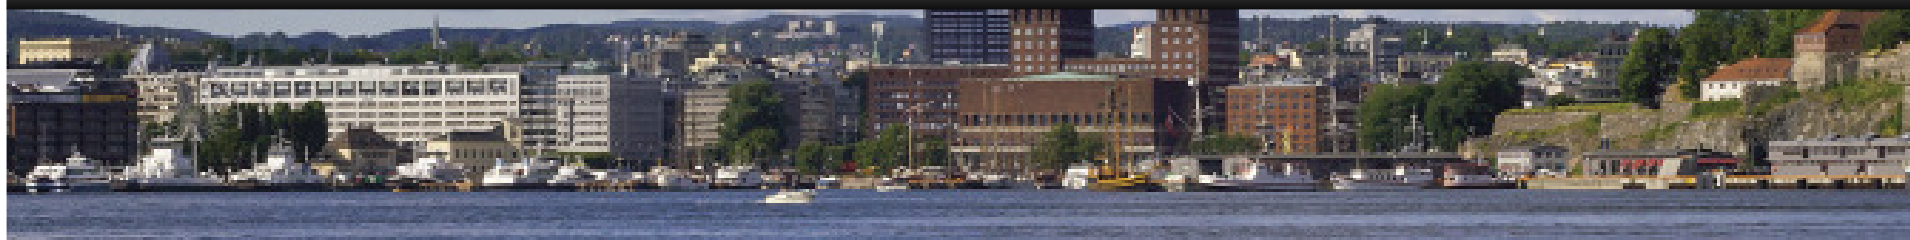

Table #3 – Team Thorleif Løken

Aksel Mortensgaard	Director	Danish Partnership for Hydrogen and Fuel Cells	Denmark
Peter Erlöv	Head of Environmental Strategy	Region of Skåne	Sweden
Eva Næss Karlsen	Ass. Director	Kunnskapsbyen Lillestrøm	Norway
Sünje Callsen		hySOLUTIONS GmbH	Germany
Pim de Valk	BSc	Ballast Nedam IPM	Netherlands
Helen Engholm		Västra Götalandregionen	Sweden
Erik Figenbaum	Chief engineer	Norwegian Public Roads Administration	Norway
Ian Williamson		Air Products	Great Britain
Frederic Barth		Air Liquide	France
Atle Taalesen	Regional Sales Director	NEL Hydrogen	Norway

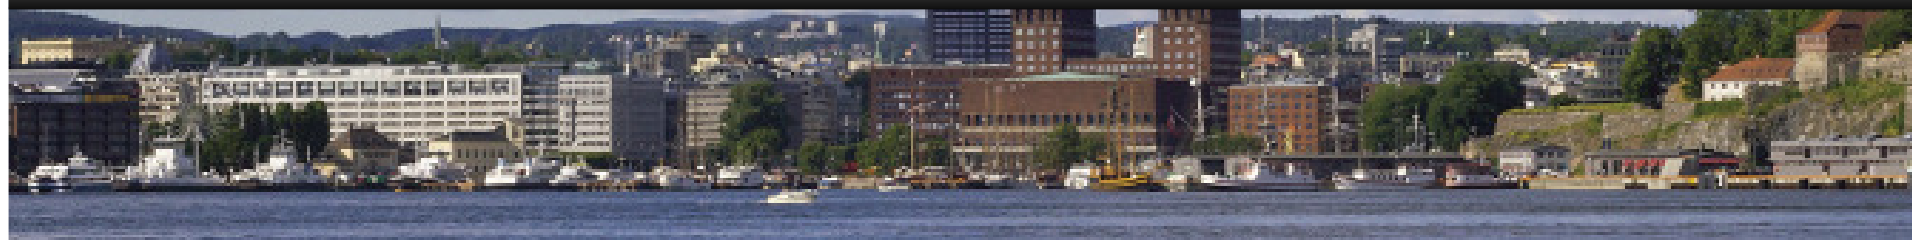

Table #4 – Team Tore Haugen

Ola Elvestuen	Venstres nestleder	Venstre	Norway
Kjetil Storvik		Kunskapsbyn Lilleström	Norway
Ian Klesmer	London Hydrogen Partnership Manager	Greater London Authority	Great Brittan
Benjamin Myklebust	Adviser transport technology	ZERO	Norway
Jouko Koivula	Lic.Sc.(Tech), IWE	Prizztech Oy	Finland
Luis Correas	Dr	Fundacion Hidrogeno Aragon	Spain
Linda Nilsson	Project manager	Hydrogen Sweden	Sweden
Gerd Petra Haugom	Principal Consultant	Det Norske Veritas	Norway
Johannes Toepler		German Hydrogen Association	Germany
Konrad Pütz		Transnova	Norway
